

Junior Girl Scout Troop 21309

Joan Jensen was kind enough to come to our meeting and introduce the girls to crocheting. She taught the girls the chain stitch which is the basic stitch you need to know in order to crochet. She was also generous towards the girls by giving them yarn and needles if they wanted to work on mastering the stitch at home and is willing to continue to work with any of the girls who want to crochet. This activity wrapped up our knit & fabric arts badge which we have been working on since last year. Some of the other activities they did for this badge were macramé key chains, duct tape tote bags, tie dye and decorating onesies with fabric markers for newborn babies in need. Thank you so much, Ms. Joan, for introducing us to crochet!

Troop 21309 recently held a bridging ceremony and Court of Awards in North Branch Park. We have moved up to the Cadette level of scouting and are excited to see what new adventures are ahead for us! Girls from Cadette Troop 21851 assisted us with the bridging and awards ceremony then we all enjoyed refreshments under the pavilion.

Our last activity of the year will be a trip to the Bucks County SPCA in Lahaska on June 18th. We will be taking a tour and bringing all of the donations collected from the Chalfont UMC congregation and our PJ party. We also made small pet beds to donate that will be used for dogs and cats as they recover from surgery.

And finally, Girl Scout Troop 21309 would like to thank Pastor Barb, Mrs. Pat Kerr and the congregation of Chalfont UMC for their continued support of our troop and the Girl Scout organization. We appreciate the use of your space for our programs and activities throughout the year along with supporting our community service projects.
